

# HARDIN COUNTY NORTH MIDDLE SCHOOL

OWNER: HARDIN Co. PUBLIC SCHOOLS

LOCATION: VINE GROVE, KY

BUDGET: \$17.6 MILLION

COMPLETION: 2009

Hardin County North Middle School is a multi-story structure with CMU load bearing walls, reinforced concrete slab-on-grade, and continuous reinforced concrete footings. The Building is supported by a Light-gage steel truss system and structural steel beams. The roof framing in flat areas is made of open web steel joists with metal roof decking. CEI has provided special inspections for this project and has worked with the Structural Engineer of Record (SER). In addition, CEI has prepared monthly reports for submittal and a final report to the state of KY for compliance.
