

HENRY COUNTY MIDDLE SCHOOL ROOF REPLACEMENT

OWNER: HENRY COUNTY PUBLIC SCHOOLS

LOCATION: NEW CASTLE, KY

BUDGET: \$ 700K

COMPLETION: 2006

Provided structural design and analysis for roof replacement using lightweight insulated concrete deck to replace old macomber structural building system. Also provided for structural improvements to the existing steel roof structure to support the installation of a new air conditioning unit. As part of the design process our Structural Assessment was performed. We worked with the Architect closely to ensure retrofit of various components and did work with the aesthetics and MEP modifications of the building.
